

CUDDLES CHILDMINDERS AND SCHOOLS

HOME–SCHOOL PARTNERSHIP BASIC ELEMENTARY LEVEL 5 2026/2027SESSION

Dear Parent,

We warmly welcome you and your child to a new academic year. By the grace of God, we believe the 2026/2027 Academic Session will be successful, rewarding and filled with meaningful growth.

At CCMS, we believe that:

- **Every child is unique and should be nurtured, challenged and supported according to their individual strengths and needs.**
- **A strong partnership between home and school is essential to helping each learner reach his or her potential.**
- **Hands-on learning, purposeful practice and increasing independence develop confident and capable learners.**
- **Children thrive when expectations for learning, behaviour and personal responsibility are clear and consistently upheld.**
- **High but realistic standards, combined with appropriate support, encourage learners to take ownership of their growth.**
- **Mistakes are opportunities to reflect, learn, improve and try again.**

This year, we invite you to partner with us as we work together to develop your child academically, socially, emotionally and personally.

COGNITIVE & ACADEMIC EXPECTATIONS

By the end of the academic year, learners should be able to demonstrate the following:

Mathematics & Mathematical Reasoning

Learners should be able to:

- **Read, write, compare and order large numbers confidently using place-value knowledge.**

- Identify, extend and create increasingly complex number patterns and sequences.
- Apply place value, estimation and rounding to solve and check problems.
- Perform multi-digit addition and subtraction accurately, including regrouping.
- Multiply and divide multi-digit numbers using appropriate strategies.
- Solve multi-step problems involving the four basic operations.
- Explain mathematical reasoning and justify the methods used to arrive at answers.
- Identify factors, multiples, prime numbers and common factors at an appropriate level.
- Work confidently with fractions, including equivalent, improper and mixed fractions.
- Compare, order, add and subtract fractions with appropriate denominators.
- Apply fractions to practical and real-life situations.
- Understand decimals and perform appropriate operations involving decimals.
- Relate fractions, decimals and percentages in simple practical contexts.
- Begin to understand and apply ratios in age-appropriate situations.
- Solve complex problems involving time, including elapsed time, schedules and timetables.
- Solve practical problems involving money, including totals, change and budgeting.
- Understand and calculate perimeter and area of regular and irregular shapes at an appropriate level.
- Develop an understanding of volume, capacity and measurement.
- Convert between commonly used metric units.
- Identify, classify and describe two- and three-dimensional shapes.
- Identify and classify acute, right, obtuse and reflex angles.
- Plot and interpret coordinates on a grid.
- Collect, organise, represent and interpret data.

- Calculate and interpret the mean, median and mode of simple data sets.
- Read and interpret bar charts, line plots, tables, Venn diagrams and other age-appropriate representations.
- Apply mathematical concepts to unfamiliar, practical and real-life problems.
- Check calculations independently and identify and correct errors.
- Use logical reasoning and strategic thinking to solve puzzles and mathematical challenges.
- Develop strategic thinking through board games and other structured problem-solving activities.

English Language, Literacy & Communication

Learners should be able to:

- Read age-appropriate fiction and non-fiction texts fluently, accurately and with appropriate expression.
- Demonstrate understanding of both explicit and implied meaning.
- Identify main ideas, supporting details, sequence, cause and effect.
- Make predictions, draw conclusions and make reasonable inferences from texts.
- Compare and contrast characters, settings, themes, ideas and events.
- Identify and discuss themes and messages in literary texts.
- Support answers and opinions with relevant evidence from texts.
- Summarise information accurately without unnecessary repetition.
- Distinguish between fact, opinion, evidence and unsupported claims.
- Use context clues, word roots, prefixes and suffixes to determine word meanings.
- Build and apply a rich and increasingly sophisticated vocabulary.
- Use dictionaries, thesauruses and other reference materials effectively.
- Identify and correctly apply major parts of speech.
- Apply grammar, punctuation, spelling and sentence structure accurately.
- Use synonyms, antonyms, homophones, prefixes and suffixes appropriately.
- Recognise and construct different types of sentences.

- Organise ideas into well-developed paragraphs.
- Use appropriate transition words and phrases to create logical flow.
- Plan, draft, revise, edit and publish written work.
- Write structured narratives, descriptions, reports, letters, expository essays and creative pieces.
- Express opinions clearly and support them with relevant reasons and examples.
- Adapt language and tone appropriately for different audiences and purposes.
- Quote or refer accurately to information from a text when supporting an answer.
- Read and respond to poetry, drama and prose.
- Participate confidently in discussions, debates, presentations and oral activities.
- Listen actively and respond respectfully to different viewpoints.
- Ask thoughtful questions and seek clarification when necessary.
- Communicate ideas clearly, logically and confidently in both speech and writing.

CRITICAL THINKING & PROBLEM-SOLVING

Learners will be encouraged to:

- Think critically before accepting information as true.
- Ask relevant and purposeful questions.
- Break complex problems into manageable steps.
- Explore more than one possible solution.
- Explain how and why they reached a conclusion.
- Use evidence to support opinions and decisions.
- Make predictions and test possible explanations.
- Identify patterns, relationships and inconsistencies.
- Consider different perspectives before forming conclusions.
- Apply previously learned knowledge to unfamiliar situations.

- Reflect on mistakes and use feedback to improve future performance.
- Demonstrate perseverance when faced with difficult or unfamiliar tasks.

DIGITAL & INFORMATION LITERACY

Learners will be guided to use technology as a tool for learning, creativity, research and responsible communication.

They should be able to:

- Use a computer independently for familiar academic tasks.
- Create, save, retrieve and organise digital work.
- Use age-appropriate educational applications and digital platforms.
- Conduct simple online research under appropriate supervision.
- Recognise that not all information found online is accurate or reliable.
- Demonstrate safe and responsible digital behaviour.
- Understand the importance of protecting personal information.
- Use passwords and digital accounts responsibly.
- Demonstrate respectful online communication.
- Begin to understand the concept of a digital footprint.
- Use technology purposefully and maintain healthy boundaries around screen use.

SELF-HELP & LIFE SKILLS

Learners are expected to:

- Manage personal hygiene and bathroom routines independently.
- Organise personal belongings and learning materials responsibly.
- Arrive prepared for lessons and activities.
- Complete homework and assigned responsibilities with increasing independence.
- Ask for help appropriately when necessary.
- Take responsibility for mistakes and make reasonable efforts to correct them.

- **Keep personal and shared spaces tidy.**
- **Follow routines without constant adult reminders.**
- **Work effectively both independently and collaboratively.**
- **Manage time and complete tasks within agreed deadlines.**
- **Demonstrate increasing responsibility for personal choices and behaviour.**

SOCIAL, EMOTIONAL & CHARACTER DEVELOPMENT

Learners will be encouraged to:

- **Demonstrate kindness, respect, empathy and fairness.**
- **Communicate their feelings appropriately.**
- **Manage frustration, disappointment and conflict constructively.**
- **Listen to and consider other people's perspectives.**
- **Accept correction without unnecessary resistance.**
- **Receive feedback as an opportunity for growth.**
- **Demonstrate resilience when faced with challenges.**
- **Take responsibility for their actions and decisions.**
- **Show initiative and make responsible choices.**
- **Recognise their strengths and identify areas for improvement.**
- **Set simple academic and personal goals.**
- **Develop confidence in expressing themselves appropriately.**
- **Understand that independence comes with greater responsibility.**

THEME FOR THE SESSION

DISCIPLINE — MAKING WISE CHOICES FOR MY LIFE

At CCMS, we believe that discipline is more than simply following rules. Discipline is the ability to exercise self-control, make responsible decisions and do what is right even when no one is watching.

Throughout the session, learners will be encouraged to:

- **Understand that every choice has a consequence.**
- **Think before acting and consider the effect of their choices on themselves and others.**
- **Develop self-control and manage impulsive reactions.**
- **Take responsibility for their actions, decisions and mistakes.**
- **Follow instructions and routines with increasing independence.**
- **Make responsible choices when faced with distractions, temptation or peer pressure.**
- **Understand the difference between what I want to do and what I should do.**
- **Pause, think and choose an appropriate response when angry, frustrated or disappointed.**
- **Manage their time and responsibilities effectively.**
- **Develop the discipline to begin, sustain and complete challenging tasks.**
- **Care for their belongings, school resources and shared environment.**
- **Accept correction and use feedback to improve.**
- **Practise honesty, respect, kindness and fairness.**
- **Resolve disagreements respectfully rather than reacting impulsively.**
- **Develop healthy habits around personal hygiene, learning, organisation, rest and movement.**
- **Understand that greater independence comes with greater responsibility.**
- **Reflect on their behaviour and consider what they could do differently next time.**
- **Set personal and learning goals and take practical steps towards achieving them.**
- **Understand that discipline is not about being perfect; it is about making better choices consistently.**

OUR KEY MESSAGE

© Cuddles Childminders and Schools

“I am responsible for my choices, my actions and the person I am becoming.”

THINK • CHOOSE • ACT • TAKE RESPONSIBILITY

Throughout the session, learners will be guided to understand that:

Wise choices build strong character, and strong character helps us direct our lives.

APPEARANCE & GROOMING

- **Uniforms:** Uniforms must be clean, neatly pressed and worn correctly each school day.
- **Girls:** Hair should be neatly braided, plaited or styled. Attachments, where used, must be black or brown only, neatly packed and school-appropriate. Beads and elaborate accessories are not permitted.
- **Boys:** Hair should be low, neat and maintained in modest, school-appropriate styles. Elaborate carvings, distracting designs or inappropriate partings are not permitted.
- **Footwear:** Black shoes with white socks are required on uniform days. Appropriate sportswear and sneakers should be worn on designated sports days.
- **Hygiene:** Fingernails must be short and clean. Jewellery and distracting accessories are not permitted, except small stud earrings for girls.

HEALTH, HYGIENE & NUTRITION

Learners should have breakfast at home before school.

Parents are encouraged to provide nutritious packed meals and healthy snacks together with:

- **A labelled water bottle.**
- **Personal cutlery where required.**
- **A suitable school bag.**

Meals should be balanced and nutritious. Noodles are discouraged as a regular packed lunch because they do not, on their own, constitute a balanced meal.

Children who are visibly unwell should remain at home, and the school should be informed appropriately.

Any medication brought to school must be clearly labelled with the learner's name and dosage instructions and submitted according to the school's medication procedure.

GENERAL SCHOOL GUIDELINES

- **School opens at 8:00 a.m. and closes at 3:15 p.m.**
- **School operates Monday to Friday, excluding public holidays, approved school closures, emergencies or national directives.**
- **A 15-minute grace period is allowed for parent pickups. Late pickup beyond 3:30p.m. attracts a fee of ₦1,000 per additional hour or part thereof.**
- **Bus learners should arrive at the designated pickup point by 7:20 a.m. The expected return time is approximately 4:30 p.m., subject to traffic and other circumstances.**
- **Individual and group projects are compulsory where assigned and contribute to overall assessment.**
- **Learners are expected to respect school property and the belongings of others. Parents may be required to replace or pay for property damaged through deliberate or negligent behaviour.**
- **All personal belongings must be clearly labelled with the learner's name.**
- **Homework will be assigned as appropriate, with a recommended maximum of 60 minutes every other day.**
- **Homework contributes to overall assessment where applicable.**
- **Parents are encouraged to support homework without completing assignments on behalf of their child.**
- **School fees must be paid according to the approved payment schedule. Outstanding fees may result in temporary withdrawal from school until the account is regularised.**
- **Staff appreciation in cash or kind is discouraged to maintain fairness and professionalism. Words of encouragement and constructive feedback are always appreciated.**

PARTNERSHIP WITH PARENTS

We count on our valued parents and partners to:

- Respond promptly to important school communications.
- Notify the school of significant issues that may affect their child's learning or well-being.
- Attend parent–teacher conferences and scheduled meetings.
- Participate in parent-involvement activities where required.
- Encourage reading, study routines and responsible behaviour at home.
- Support punctuality, independence and personal responsibility.
- Reinforce the values and expectations taught at school.
- Communicate concerns respectfully through the appropriate channels.

OUR COMMITMENT

At CCMS, we are not only preparing learners to pass examinations; we are preparing them to think, choose, act and take responsibility.

Our goal is to nurture learners who are academically capable, curious, resilient, respectful, responsible and confident learners who understand that their daily choices shape the people they are becoming.

We look forward to partnering with you for a purposeful, productive and rewarding 2026/2027 Academic Session.

Warm regards,

Mrs. Bukola Odomo
Head of School

Cuddles Childminders and Schools (CCMS)
