

The Cuddles Hall

Home-School Partnership 2026/2027 Academic Year Expectations

HBEL 7–HBEL 9 | JSS 1–JSS 3

Dear Parent/Guardian and Learner,

At **The Cuddles Hall**, we believe that education is a shared responsibility between the school, the learner and the family. A strong home–school partnership creates the consistency, accountability and support learners need to thrive academically, socially, emotionally and personally.

For the 2026/2027 Academic Session, our guiding theme is:

DISCIPLINE — MAKING WISE CHOICES FOR MY LIFE

Discipline at The Cuddles Hall is not simply about following rules or avoiding consequences. It is about developing the **self-control, responsibility, judgement and character** needed to make wise choices — even when no one is watching.

Throughout the session, learners will be encouraged to understand that **every choice has a consequence**, to think before acting, take responsibility for their decisions and learn from mistakes.

Our partnership is built around three key responsibilities:

THE SCHOOL • THE HOME • THE LEARNER

When these three work together, learners are better equipped to become responsible, confident and independent young people.

1. COGNITIVE DEVELOPMENT

Cognitive development focuses on strengthening critical thinking, problem-solving, creativity, independent learning and the ability to apply knowledge meaningfully.

THE SCHOOL

The Cuddles Hall will:

- Provide a challenging, age-appropriate curriculum aligned with relevant educational standards.

- Use inquiry, discussion, projects, practical activities and technology to deepen learning.
- Provide differentiated support for learners with varying abilities and learning needs.
- Encourage learners to question, investigate, analyse and develop their own ideas.
- Monitor academic progress through continuous assessment and provide appropriate feedback.
- Communicate areas of strength and areas requiring additional support to parents.

PARENTS/GUARDIANS

Parents/Guardians are expected to:

- Encourage regular reading and meaningful academic conversations at home.
- Provide a suitable environment for study and independent learning.
- Take an interest in schoolwork without completing assignments on behalf of the learner.
- Review academic reports and discuss realistic improvement goals with their child.
- Encourage curiosity, research and responsible use of digital resources.
- Communicate promptly with the school where learning difficulties or concerns arise.

LEARNERS

Learners are expected to:

- Participate actively in lessons and ask questions when clarification is needed.
- Complete assignments and projects within stipulated deadlines.
- Take increasing ownership of their learning.
- Use feedback to improve their work.
- Develop effective study and revision habits.
- Think critically rather than simply memorising information.
- Seek help appropriately when they encounter difficulties.

2. SOCIAL DEVELOPMENT

Social development focuses on respectful relationships, communication, teamwork, empathy, cooperation and responsible participation in the school community.

THE SCHOOL

The Cuddles Hall will:

- Provide opportunities for teamwork through projects, clubs, activities and school events.
- Teach respectful communication and conflict-resolution skills.
- Promote inclusion, fairness and respect for individual differences.
- Address bullying, exclusion and inappropriate social behaviour promptly.
- Encourage learners to develop leadership and collaboration skills.

PARENTS/GUARDIANS

Parents/Guardians are expected to:

- Model respectful communication at home.
- Encourage their child to treat others with dignity, regardless of differences.
- Discuss friendships, peer relationships and social challenges openly.
- Report significant concerns to the school rather than attempting to resolve school-related matters solely through the learner.
- Encourage participation in positive family, community and school activities.

LEARNERS

Learners are expected to:

- Treat peers, staff and visitors with respect.
- Listen when others are speaking.
- Work cooperatively in groups.
- Respect different opinions and perspectives.
- Resolve disagreements without insults, threats or aggression.
- Report bullying, harassment or unsafe behaviour to a trusted adult.
- Understand that being kind does not mean allowing others to take advantage of them.

3. EMOTIONAL DEVELOPMENT

Emotional development supports self-awareness, emotional regulation, resilience, healthy communication and the ability to respond appropriately to challenges.

THE SCHOOL

The Cuddles Hall will:

- Provide opportunities for learners to develop emotional literacy and self-awareness.
- Teach practical strategies for managing frustration, disappointment, anger and pressure.
- Encourage learners to communicate concerns appropriately.
- Provide appropriate pastoral support and guidance.
- Help learners understand that seeking help is a strength, not a weakness.

PARENTS/GUARDIANS

Parents/Guardians are encouraged to:

- Create an environment where children can communicate openly and respectfully.
- Listen before reacting when a child shares a concern.
- Encourage healthy routines, including adequate rest, nutrition and study habits.
- Help children distinguish between feelings and actions — every feeling is valid, but not every reaction is appropriate.
- Work collaboratively with the school when persistent emotional or behavioural concerns arise.

LEARNERS

Learners are expected to:

- Identify and communicate their feelings appropriately.
- Pause before reacting when upset.
- Use constructive strategies to manage difficult emotions.
- Seek help from a trusted adult when necessary.
- Accept that disappointment and correction are part of growth.
- Develop resilience by learning from setbacks rather than giving up.

4. HOMEWORK AND INDEPENDENT LEARNING

Homework is intended to reinforce classroom learning, develop responsibility and strengthen independent study habits.

THE SCHOOL

The Cuddles Hall will:

- Set purposeful, age-appropriate assignments.
- Provide clear instructions and reasonable deadlines.
- Give feedback where appropriate.
- Consider individual learning needs when assigning work.
- Communicate significant changes to homework expectations with parents.

PARENTS/GUARDIANS

Parents/Guardians should:

- Establish a consistent homework routine.
- Provide an appropriate study environment.
- Monitor completion without doing the work for the learner.
- Encourage the learner to organise books, materials and deadlines.
- Contact the school where a learner consistently struggles with workload.
- Encourage sleep, rest and balance rather than excessive late-night study.

LEARNERS

Learners should:

- Complete homework independently and submit it on time.
- Record assignments and deadlines responsibly.
- Organise their learning materials.
- Ask for clarification when necessary.
- Review corrections and learn from mistakes.
- Develop the discipline to begin and complete tasks without constant reminders.

5. PROJECT-BASED AND PRACTICAL LEARNING

The Cuddles Hall uses projects and practical experiences to help learners connect classroom knowledge with real-life situations.

Projects may include **STEM activities, sustainability initiatives, research, entrepreneurship, community-based projects, technology, agriculture and other cross-curricular experiences.**

THE SCHOOL

The Cuddles Hall will:

- Provide appropriate project briefs, timelines and expectations.
- Guide learners through planning, research, execution and presentation.
- Provide necessary supervision and safety guidance.
- Assess both the process and outcome of project work.
- Provide opportunities for learners to present and reflect on their work.

PARENTS/GUARDIANS

Parents/Guardians should:

- Provide reasonable support with materials and logistics.
- Encourage planning and time management.
- Allow learners to take ownership of their projects.
- Avoid completing projects on behalf of their children.
- Attend project presentations or showcases where possible.

LEARNERS

Learners are expected to:

- Take ownership of individual and group projects.
- Contribute meaningfully to group work.
- Meet agreed deadlines.
- Follow safety instructions.
- Demonstrate originality and responsible use of information.
- Reflect on what they have learnt from each project.

6. DISCIPLINE — MAKING WISE CHOICES FOR MY LIFE

THINK • CHOOSE • ACT • TAKE RESPONSIBILITY

At The Cuddles Hall, discipline is viewed as a **life skill**, not merely a system of punishment and rewards.

We want learners to develop the ability to make appropriate choices because they understand what is right and responsible — not simply because an adult is watching.

OUR FOCUS

Learners will be encouraged to:

- Understand that every choice has a consequence.
- Think before acting.
- Consider how their choices affect themselves and others.
- Distinguish between “**what I want to do**” and “**what I should do.**”
- Develop self-control and resist impulsive reactions.
- Follow instructions and routines with decreasing adult supervision.
- Resist inappropriate peer pressure and distractions.
- Take responsibility for their actions and decisions.
- Admit mistakes honestly and work towards correcting them.
- Accept reasonable correction without becoming defensive or disrespectful.
- Manage time and complete responsibilities within agreed deadlines.
- Care for personal belongings, school property and shared spaces.
- Persevere when tasks become difficult.
- Make responsible choices when frustrated, angry or disappointed.
- Resolve disagreements respectfully.
- Practise honesty, fairness, kindness and respect.
- Reflect on their behaviour and identify what they could do differently next time.
- Understand that independence comes with responsibility.

THE SCHOOL

The Cuddles Hall will:

- Establish clear, consistent and age-appropriate expectations.
- Teach discipline as a process of developing self-management and responsibility.

- Apply consequences fairly, consistently and proportionately.
- Give learners opportunities to understand the impact of their choices.
- Distinguish between correcting behaviour and attacking character.
- Encourage restorative conversations where appropriate.
- Recognise responsible behaviour, effort, improvement and positive choices.
- Work with parents when behavioural patterns require additional support.
- Maintain appropriate records of significant behavioural concerns and interventions.

PARENTS/GUARDIANS

Parents/Guardians are expected to:

- Reinforce the values and behavioural expectations of The Cuddles Hall at home.
- Establish clear boundaries and consistent consequences.
- Avoid making excuses for inappropriate behaviour.
- Allow children to experience reasonable, age-appropriate consequences.
- Encourage children to take responsibility rather than blame others.
- Discuss choices and consequences calmly.
- Model self-control, honesty, respect and accountability.
- Support the school when behavioural concerns are communicated.
- Encourage children to apologise, repair harm and make better choices where appropriate.

LEARNERS

Learners are expected to:

- Follow school rules and reasonable instructions.
- Think before making decisions.
- Take responsibility for their behaviour.
- Tell the truth, even when the truth is uncomfortable.
- Accept correction respectfully.
- Make amends when their actions have caused harm.
- Manage their emotions without hurting themselves or others.

- Respect boundaries and the rights of others.
- Complete responsibilities without excessive reminders.
- Understand that freedom and independence come with accountability.

OUR KEY MESSAGE

“I am responsible for my choices, my actions and the person I am becoming.”

Discipline does not mean perfection. It means **consistently learning to make better choices.**

7. CHARACTER, VALUES AND LIFE SKILLS

Character development at The Cuddles Hall extends beyond academic achievement. We want learners to become responsible young people who can function confidently and ethically in the wider world.

THE SCHOOL

The Cuddles Hall will:

- Integrate character education into everyday school life.
- Reinforce values such as integrity, respect, responsibility, empathy, courage and perseverance.
- Provide opportunities for leadership and service.
- Develop practical life skills through age-appropriate activities.
- Recognise positive character development and responsible conduct.

PARENTS/GUARDIANS

Parents/Guardians should:

- Model the values they expect from their children.
- Give children age-appropriate responsibilities at home.
- Encourage independence in daily routines.
- Involve children in household tasks.
- Reinforce honesty, respect, responsibility and consideration for others.
- Encourage children to solve appropriate problems rather than immediately solving everything for them.

LEARNERS

Learners should:

- Demonstrate honesty and integrity.
- Take responsibility for personal belongings and duties.
- Show respect towards others.
- Practise kindness without compromising healthy boundaries.
- Develop practical self-help and organisational skills.
- Set personal goals and work towards improvement.
- Demonstrate resilience when things do not go as planned.

8. COMMUNICATION AND HOME–SCHOOL COLLABORATION

Effective communication is essential to the success of this partnership.

THE SCHOOL WILL:

- Maintain clear and professional communication with families.
- Share relevant academic, behavioural and developmental updates.
- Provide opportunities for parent–teacher engagement.
- Communicate significant concerns promptly and appropriately.
- Encourage constructive feedback from parents.

PARENTS/GUARDIANS WILL:

- Read school communications carefully.
- Respond to important messages within a reasonable timeframe.
- Attend scheduled meetings and conferences where required.
- Communicate concerns respectfully and through the appropriate channels.
- Inform the school of circumstances that may significantly affect a learner's education or wellbeing.
- Work with the school towards solutions rather than focusing solely on blame.

LEARNERS WILL:

- Communicate respectfully with adults and peers.
- Take responsibility for communicating relevant information.
- Ask questions when they do not understand.
- Speak up appropriately when they need help.

- Respect the confidentiality and dignity of others.

GENERAL SCHOOL GUIDELINES

- School hours are **8:00 a.m. – 3:15 p.m., Monday to Friday**, except on designated holidays, special programmes or where otherwise communicated.
- A **15-minute grace period** applies after closing time. A late pick-up charge of **₦1,000 per hour** applies thereafter.
- Bus learners are expected to arrive at the designated pick-up point by **7:20 a.m.** Return times may vary according to the route and traffic conditions.
- Individual and group project work is compulsory and contributes to learners' overall assessment.
- Homework should be completed within the time guidance provided by the school. Parents should contact the teacher if a learner consistently requires significantly more time.
- All personal belongings should be clearly labelled with the learner's name.
- Learners are expected to care for school property and the property of others. Parents/Guardians may be required to replace or pay for items damaged through their child's negligence or deliberate actions.
- School fees are expected to be paid as and when due, in accordance with the school's financial policy.
- Cash or material gifts presented to individual staff members as “staff appreciation” are discouraged in the interest of fairness and professionalism. A sincere word of appreciation is always welcome.

HEALTH, NUTRITION AND HYGIENE

Parents/Guardians are expected to support healthy routines that enable learners to participate fully in school activities.

- Learners should have breakfast before coming to school.
- Packed lunches should be nutritious and appropriately stored.
- Water should be provided daily.
- Parents should avoid sending learners to school when they are visibly unwell or have symptoms that may require exclusion under the school's health policy.
- Prescribed medication must be appropriately labelled and submitted according to the school's medication procedure.
- Learners are expected to maintain appropriate personal hygiene.

- Parents should inform the school of relevant health or safety concerns that may affect participation in school activities.

OUR SHARED COMMITMENT

The Cuddles Hall recognises that **discipline is most effective when the school and home communicate the same message.**

We therefore ask every parent/guardian and learner to commit to the following:

We will think before we act.

We will make responsible choices.

We will respect ourselves and others.

We will accept responsibility for our actions.

We will learn from our mistakes.

We will strive to become better versions of ourselves.

THINK • CHOOSE • ACT • TAKE RESPONSIBILITY

Together, we are not simply preparing learners to pass examinations.

We are preparing them to make wise choices, manage responsibility and navigate life with confidence, character and integrity.

**Bukola Odomo (Mrs.)
Head of School
The Cuddles Hall**
